Doctoral dissertation

1. Research of the Living Space Form of Macau Historical District Based on Space Syntax was awarded the Postgraduate Scholarship "Macao Studies" for 2019/2020 (25/09/2020) by the Macao Foundation

Academic research results

1. 2024, The 2024 Lingnan Culture Project under the Guangdong Philosophy and Social Science Planning.
2. 2023, Chairing the key project of the Ministry of Education's Special Project on Chinese Excellent Traditional Culture (Class A).
3. 2023, presided over the 2023 public bidding project of the Ethnic Studies Program of the National People's Committee (key project).
4. 2023, Chairing the Provincial First-class Undergraduate Program, Guangdong Provincial Department of Education, Ministry of Education.
5. 2022, presided over the Lingnan Culture Project of Guangdong Philosophy and Social Science Planning.
6. 2023, Chairing the second phase of the Supply and Demand Matching Employment Nurturing Program - Guang Guang City Human Resource Enhancement Project, Guangdong University of Technology and Normal Studies, Ministry of Education.
7. 2021, Chairing the Open Research Program of State Key Laboratory of Subtropical Building Science, South China University of Technology.
8. 2021, hosted the second batch of industry-university cooperation collaborative education programs, two programs of the Department of Higher Education of the Ministry of Education.
9. 2020, presided over the Teaching Quality and Teaching Reform Project of Undergraduate Colleges and Universities in Guangdong Province.
10. 2019, Hosting the "Dual Teacher" Teacher Training and Training Base for the Environmental Art and Design Profession, Letter of Education and Vocational Training (2019) No. 10, Ministry of Education.
11. 2016, Hosting off-campus practice teaching base for university students, Department of Education of Guangdong Province, [2014] No. 54.
12. 2021, Participated in the Pilot Project of Deepening Education Evaluation Reform in the New Era of Guangdong Province - Deepening the Evaluation Reform Program of Aesthetic Education in the College of Fine Arts of Guangdong Normal University of Technology, Office of the Leading Group of Education Work of the CPC Guangdong Provincial Party Committee, Ranked No. 5.
13. 2021, Participated in "Research on the Path of "Micro-Reform" under the Threshold of Rural Revitalization in Guangdong" 2021 Guangdong Provincial Key Research Platforms and Projects

for Universities, Ranked No. 3.

14. 2020, Participation in Provincial-level Education Teaching Achievement Award (Deep cultivation of regional characteristic industries, construction of higher vocational design talent cultivation mode), First Prize, Department of Education of Guangdong Province, Ranked No. 5.
15. 2020, Participated in the "Lingnan Overseas Chinese Architecture Art Innovation Talent Cultivation" funded by the National Art Fund, Ranked No. 3.
16. 2018, Participated in "Study on the Revitalization Strategy of Southern Guangdong Ancient Villages under the Intervention of Architectural Art" Guangdong Province Philosophy and Social Science Planning Project (General Project), Ranked No. 4.
17. 2016, Participated in "Environmental Art Design Teaching Team" Provincial Teaching Team of Guangdong Province, Department of Education of Guangdong Province, Ranked No. 6.

Academic and social appointments

1. Selected from the Cultural Industry Entrepreneurship and Creativity Talent Pool of the Ministry of

Culture and the Ministry of Finance

2. Director of the China Association of University Artists
3. Member of the Exhibition and Display Working Committee of the China Exhibition and Convention Economy Research Association
4. Guangdong Province Comprehensive Evaluation Expert Database Evaluation Experts
5. Director of Guangdong Designer Alliance
6. Deputy Director of the Higher Education Professional Committee of Guangdong Environmental Art and Design Industry Association
7. Member of China Urban Planning Society
8. Member of the T201 Dept. Architecture research team at Aalto University
9. Member of the Residential Research Institute of South China University of Technology
10. Editorial Board Member of Urban and Regional Planning

Professional qualifications and awards

1. Senior Designer of Environmental Art, December 2008, Guangdong Provincial Department of Personnel
2. UIA-CBC International University Construction Competition, Second Prize, International Institute of Architects (UIA), August 2019
3. Second China International Design and Art Graduate Forum, Third Prize, China Academy of Art, November 2018
4. The 4th Guangdong Hong Kong Macao Greater Bay Area University Art and Design Works Exhibition and the 6th Guangdong Provincial University Design Works Academy Award Biennial Exhibition won 2 Excellence Awards
5. Selected for the Cultural Industry Entrepreneurship and Creativity Talent Pool of the Ministry of Culture and the Ministry of Finance (national level), Central Academy of Cultural Management Cadres, October 2016
6. Skilled in economic and technological innovation among employees in Guangdong Province, Guangdong Provincial Federation of Trade Unions, Guangdong Provincial Department of Human Resources and Social Security, Guangdong Provincial Department of Science and Technology, April 2016
7. "Design and Reconstruction of Abandoned Containers", Second Prize, CIID Chinese Architectural Society, December 2013
8. 2015 Guangdong Province "Lingnan Cup" Decoration Engineering Application Skills Competition, first prize, Guangdong Province Decoration Industry Association, Guangdong Province Industrial Trade Union Committee, October 2015
9. 2015 Guangdong Province "Lingnan Cup" Decoration Engineering Application Skills Competition, Second Prize, Guangdong Province Decoration Industry Association, Guangdong Province Industrial Trade Union Committee, October 2015
10. 2015 Guangdong Province "Lingnan Cup" Decoration Engineering Application Skills Competition, Best Solution Award, Guangdong Province Decoration Industry Association, Guangdong Province Industrial Trade Union Committee, October 2015
11. 2008 Lingnan Cup Guangdong Decoration Industry Design Exhibition and Evaluation, Gold Award, Guangdong Industry Association, June 2009

12. Third prize for Guangdong Provincial Universities - Nanyue Village (Improvement) Planning Volunteer Service Team, 2 awards, awarded to Guangdong Provincial Village, Guangdong Provincial Department of Housing and Urban Rural Development, Guangdong Provincial Committee of the Communist Youth League, Guangdong Provincial Department of Education, Guangdong Provincial Volunteer Federation, March 2018
13. One second prize at the 4th Guangdong Hong Kong Macao Greater Bay Area University Art and Design Works Exhibition and the 6th Guangdong Provincial University Design Works Academy Award Biennial Exhibition (guiding students to win)
14. National "Invention Cup" Innovation and Entrepreneurship Competition, third prize, 2 awards, Shandong Provincial Department of Education, October 2018 (awarded to guiding students)
15. Longding Award and Special Prize in the 2018 National 3D Digital Innovation Design Competition, awarded by the National Manufacturing Informatization Training Center in October 2018 (for guidance studies)
16. 2019 National Excellent Design Works Competition for Architecture and Planning Majors, First Prize, Guidance Member Association for Architecture and Planning Majors, August 2018 (Award for Guidance Studies)
17. The third prize of the third "Internet" College Students' Innovation and Entrepreneurship Competition "CCB Cup" Guangdong Branch Competition, Guangdong Provincial Department of Education, August 2017
18. National "Invention Cup" Innovation and Entrepreneurship Competition, Second Prize, China Invention Association, Henan Provincial Department of Science and Technology, October 2017 (Award for Guidance Studies)
19. The 5th Guangdong University Student Science and Technology Academic Festival won 2 second prizes and 1 third prize, and was awarded by the Guangdong Provincial Committee of the Communist Youth League, the Guangdong Provincial Department of Education, the Guangdong Provincial Department of Science and Technology, and the Guangdong Provincial Student Federation on July 2011 (for guiding students)
20. "Internet plus" "Challenge Cup - Rainbow Life" Guangdong Vocational School Innovation, Efficiency and Entrepreneurship Competition, the second prize, jointly held by the Communist Youth League Provincial Committee, the Provincial Department of Education, the Provincial Department of Science and Technology, the Provincial Association for Science and Technology, and the Provincial Federation of Students, July 2016 (award for guidance learning)

Patents granted

1. Invention patent, Zhou Junling; Wang Boxun, a landscape lamp for garden architecture that is easy to replace, patent number: ZL 2021 1 0756136.5, China, January 20, 2023, Authorization Announcement No.: CN 113357552 B, China National Intellectual Property Administration
2. Invention patent, Zhou Junling; Wang Boxun; Xie Lingfeng; Xie Xusheng; Warm, a garden landscape green water supply and drainage building structure, patent number: ZL 2022 1 0532687.8, China, June 2023, Authorization Announcement No.: CN 114753467 B, China National Intellectual Property Administration
3. Invention patent, Wang Boxun; Zhou Junling, a drainage device for rural architectural landscape, patent number: ZL2021 1 0756428.9, China, July 2021, Authorization Announcement No.: CN

113404144 B, China National Intellectual Property Administration

4. Invention patent, Zhou Junling; Wang Boxun; Liu Kuan, an adjustable architectural landscape pavilion, patent number: ZL2021 1 0852303.6, China, July 2021, Authorization Announcement No.: CN 113503066 B, China National Intellectual Property Administration

5. Invention patent, Zhou Junling; Wang Boxun; Liu Kuan, a waterproof LED light structure for architectural landscape, patent number: ZL 2021 1 0852274.3, China, July 2021, Authorization Announcement No.: CN 113464891 B, China National Intellectual Property Administration

6. Utility model patent, a landscape lamp with insecticidal function, patent number: ZL2020 2 1274042.1, China, July 2020 Inventor: Zhou Junling Authorization Announcement Number: CN 212204109 U, China National Intellectual Property Administration

7. Utility model patent, a non slip urban and rural landscape trail, patent number: ZL2020 2 1274942.6, China, July 2020 Inventor: Zhou Junling Authorization Announcement Number: CN 213203684 U, China National Intellectual Property Administration

8. Utility model patent, a building landscape ecological river retaining wall, patent number: ZL 2020 21329543.5, China, July 2020 Inventor: Zhou Junling Authorization Announcement Number: CN 213597022 U, China National Intellectual Property Administration
